<b>RACE 2</b>	
<b>LADBROKE IT! 1-3 WIN, 520m</b>	
<b>1 What She Said</b>	A post-race urine sample was obtained.
<b>2 Polly Waters</b>	Near the winning post on the first occasion was checked when tightened for room and lost ground. Entering the home straight, turned its head inward towards another greyhound very briefly. Trainer Mr. S Sing was advised that a warning would be placed on the greyhound's record. In making this determination, Stewards considered the momentary head turn, its proximity to the lure as well as the veterinary findings. A post-race veterinary examination revealed a near hind hip support injury, nearside flexor tendon soreness and lower back soreness. A 14-day incapacitation period was issued.
<b>4 He's Thunderous</b>	Exiting the first turn was bumped on the hindquarters and taken out, making contact with another greyhound and becoming unbalanced.
